

Important: Use this form when requesting coverage for all drugs covered under either the pharmacy or medical benefit.

Providers are **strongly encouraged** to submit this form and all chart documentation via the pharmacy provider portal. This will result in more reliable communication and expedited notification of determinations. Alternatively, if you are unable to access the portal, fax this form and all chart documentation to (217) 902-9798. If you have questions, please call (800) 481-1092, option 4.

Urgent means medical care or treatment where using the timetable for a non-urgent care determination could seriously jeopardize the patient's life/health, or the patient's ability to regain maximum function or in the opinion of the attending or consulting physician, would subject the patient to severe pain that could not be adequately managed without the requested care or treatment.
