

Your Teeth Will Never Retire

New in 2023! Enroll in a **FirstMedicare Direct Medicare Advantage Plan** that *now* includes a **\$3,000** dental allowance in your Medicare Advantage medical plan. The dental allowance includes coverage for:

- Preventive services (exams and cleanings)
- Diagnostic services (radiographs and X-rays)
- Comprehensive services (fillings, crowns, bridges)

With dental coverage through your Medicare Advantage plan, you can:

- Avoid future dental problems, thanks to preventive care and early treatment
- Have access to your dentist of choice.
- Choose a Medicare Advantage network provider that offers the most significant discounts, no balance billing and files claims on your behalf.
- Enjoy improved overall health because

120+ signs of nondental disease can be detected in a routine oral exam¹

A buildup of dental plaque can increase the risk for heart disease²

Gum disease has been linked to diabetes risk by making the body more resistant to insulin³
