

Talk to a provider anytime

FirstHealth On the Go gives you 24/7/365 access to providers through the convenience of phone, video or mobile app visits. It's an affordable option for quality medical care.

1

Talk to a provider anytime, anywhere you happen to be

2

Receive quality care via phone, video or mobile app

3

Prompt treatment, median call back in 15 minutes

4

A network of providers that can treat every member of the family

5

Prescriptions sent to pharmacy of choice if medically necessary

6

Less expensive than the ER or urgent care

GET THE CARE YOU NEED

Our providers can treat many medical conditions, including:

- Cold and flu symptoms
- Allergies
- Pink eye
- Ear infection
- Respiratory infection
- Sinus problems
- Skin problems
- And more!

With your consent, we're happy to provide information about your visit to your primary care physician.
