

Convenience, With a Swipe

FirstMedicare Direct is now introducing the Benefits Mastercard® Prepaid Card, or Flex Card.

The Benefits Mastercard® Prepaid Card (Flex Card) is a prepaid card that is loaded with a preapproved spending limit that gives you direct, upfront access to certain benefits of your plan by allowing you to immediately pay for certain benefits. You simply swipe the card to pay for your services and your coverage will be approved if you have the funds available. Please refer to the plan materials for benefits that are covered by the Flex Card.

Your Flex Card is what you will use to pay for your over-the-counter (OTC), Be Fit and vision hardware benefits.* Just swipe your card where you receive applicable services and you immediately receive your benefit. Members' Flex Card allowances are as follows: up to \$360/year toward fitness activities with Be Fit, a \$200/year allowance toward vision hardware and \$35/quarter in OTC benefits.

**Members of FirstMedicare Direct PPO Plus (PPO) plan do not have the OTC benefit and only have \$130/year allowance on toward vision hardware.*

Call (877) 210-9167 (TTY 711), daily from 8 a.m. to 8 p.m. local time. Voicemail is used on holidays and weekends, April 1 to September 30.
